COMMUNITY & ACTIVITIES

Attended the **Cloud Feast Community Meetup (2025)**, a gathering of industry professionals and cloud engineers where I networked, discussed cloud-native architectures, DevOps pipelines, and the future of cloud infrastructure. Events like this remind me how important it is to stay connected to the broader tech community beyond university assignments.

DECLARATION

I hereby declare that all the information furnished above is true and correct to the best of my knowledge and belief. I take full responsibility for the accuracy of the details provided in this resume.
